Recycling pickup days are highlighted in yellow

- Do not put your bins out earlier than Wednesday evening; Return them to your garage no later than Thursday evening.
- Bins must be 3 feet away from garage; There must be 3 feet between bins.
- All trash/recycling must be inside bin; Anything outside bin will not be collected.
- Any material that hampers emptying of bins will result in your bins not being emptied.
- Collection day is Thursday UNLESS Thursday is a holiday; Friday is then collection day. See website for updates.
- Bins have an identification number on the back, which is useful information in case of "mistaken identity".
- Record your bin numbers above, to the right of the calendar.
