

Greetings!

It has been a challenging winter with a record amount of snowfall. Its hard to believe but spring is just around the corner! If you are like me you are planning some outdoor projects. Which is great, please keep in mind, any and ALL changes, improvements and/or alterations to the outside of your home/patio must be presented to and approved by the Association prior to the beginning of your project. Failure to get prior approval will result in the alternations being removed at the Homeowner's expense and a fine.

Reminder to everyone to send us video/photos of dog violations, including picture of dog and walker. It's the only way we can try to resolve the issue.

Emails were sent to Homeowners in February requesting insurance info as well as other information for the database. If you didn't see it in your Inbox, please check your Junk folder. The email was sent from Board@amhurst.org. You are required to provide this information, per the 2023 Rules, Regulations, Policies and Procedures.
