

2023 Trash/Recycling Calendar

Trash Bin Number:

Recycle Bin Number:

Recycling pickup days are circled in red.

- Do not put your bins out earlier than Wednesday evening and return them to your garage no later than Thursday evening.
- Bins must be 3 feet away from garage and there must be 3 feet between bins.
- All trash/recycling must be inside bin. Anything that is on the ground will not be collected.
- Any material that hampers emptying of bins will result in your bins not being emptied.
- Collection day is Thursday UNLESS there is a holiday on Thursday. Typically Friday is then the collection day. Refer to the website for updates.
- Bins have an identification number on the back. This is useful information in case of “mistaken identity”. Record your bin numbers above, to the right of the calendar.
